

Manitowoc Public School District

2902 Lindbergh Dr. | Manitowoc, WI 54220
920-686-4777 | Fax 920-686-4780

Welcome to Manitowoc Public Schools!

In the Manitowoc Public School District, we are proud of the fact that we are large enough to offer extensive opportunities but small enough to be personal. We believe that learning should give students the tools to make their dreams come true. Our focus on high quality instruction starts with the basics but is far more than a checklist of skills. We want students to develop a depth of understanding that will serve them now and equip them for a future that will surely amaze and challenge them.

The foundation of what we do and who we are is rooted in our history. We view it as the basis for what drives our creativity and innovation forward.

Our partnerships with local businesses and other community organizations open doors for students, help shape our curriculum and support the community's future.

We're proud of our dedicated staff. They truly are genuine, not only in their commitment as leaders, but also in their care for students and support for one another. In the Manitowoc Public School District, we strive for ongoing professional development and continuous staff improvement because research shows great teachers help develop great students. An inspiring and informed teacher is the most important school-related factor influencing student achievement.

What makes Manitowoc Public School District special?

- Students have many course options including AP courses in English, Mathematics, Science and Social Studies; Art; Business; Career and Technical Education; Family & Consumer Education; Global Scholar Program; French, German, Spanish and Japanese; Music; Technology and more.
- Students complete 20 hours of community service. They work with community leaders and professionals, learn first-hand about societal issues, explore career possibilities and experience the satisfaction that comes from volunteering and helping others.
