MYBA MISSION STATEMENT

The Manitowoc Youth Baseball Association (MYBA) is designed to provide all children in the Manitowoc community with the opportunity to play baseball and softball. MYBA provides this opportunity to children regardless of their skill level. Through this program, boys and girls will be taught to improve their baseball and softball skills while learning the important values of teamwork and sportsmanship. The MYBA programs' goal is to not only advance the child's athletic skills, but to grow their overall development as a person.
