The *Music Parents Association*, or MPA for short, is a parent directed organization that helps financially assist the music students and teaching staff of the Manitowoc Public School District.

🎵 *Student Benefits* 🎵

The MPA recognizes that families need opportunities to fundraise for music expenses, such as instruments and supplies, school trips, and summer music camps.

A **\$5 annual family membership** to the MPA allows students to participate in our fundraisers and provides each family with their own **fundraising account**. Money earned stays with the student until they leave the MPSD school district. Funds not used prior to graduation can be passed down to younger siblings enrolled in MPSD music classes.

Inquire about your balance or request a check for expenses anytime by contacting our group treasurer.

An MPA membership also allows each student in the family to be eligible for our **summer music camp scholarships**. The scholarships' requirements are simple — a short application (no financial info required) and a few hours spent volunteering at any MPA event. Scholarship dollar amounts are based on how many students apply and how much money has been raised at the group events during the school year.

In recent years, the scholarships have covered about half of the cost of the camps.

🎵 **2020-21 Fundraising Events** 🎵

Fruit Sale — Sales October Delivery early December

Students keep all of the profits from their sales

Our fresh fruit and gourmet snack box sale is a hit each year, and it is our biggest student-driven fundraiser.

Tunes & Tators — Saturday, April 17

This annual event showcases students' musical talents in a family fun atmosphere. A fresh baked potato bar, luscious desserts, and silent auction with lots of goodies make this the event of the season. 🎵

Brat Fry — Spring date TBD

There's nothing like a fresh brat or burger hot off the grill! 🎵

🎵 Money raised at these events goes into the MPA general fund.

We are hoping to announce additional fundraising opportunities as the school year progresses. Watch our Facebook page for more details!

🎵 *School Benefits* 🎵

Each year, the MPA provides extra funding to the music departments for extra expenses not covered in their limited operating budget.

Examples of recurring expenses the MPA assists with include:

🎵 ***Event Bussing*** In September 2019, MPA funded coach busses transporting members of the Lincoln High School Band to and from Camp Randall Stadium to participate in a performance at a Badger Football game.

🎵 ***Instruments & Repairs*** In spring 2019, an oboe was given the extensive (expensive!) repairs it needed using MPA funds.
